General Statement of Professional Experience (written by firm)

County Environmental Engineering, Inc. (CEE) is a Maine Department of Transportation certified woman-owned small business providing quality professional environmental services in Maine since 1991. CEE personnel have experience with over 150 contaminated sites with capabilities ranging from extensive soil, surface water, groundwater, soil gas and indoor air sampling, site safety and environmental oversight on soil remediation projects, installation, operation and maintenance of remedial systems, and installation, inspection, repair and removal of underground and aboveground storage tanks. CEE has completed numerous Brownfields, Phase I and II Environmental Site Assessments, Spill Prevention, Control and Countermeasure Plans, Quality Assurance Project Plans, and over 200 Maine Department of Environmental Protection Chapter 691 Appendix P Site Assessments.
